

Friends of the Puente-Chino Hills Wildlife Corridor

Wildland Partners

Wildland Partners offers individuals the opportunity to play a vital role in the preservation of the Puente-Chino Hills Wildlife Corridor by supporting Hills For Everyone's important conservation work. The support of these individuals inspires others to embrace our vision and become supporters as well. Together we can make a difference, indeed we already have.

Hills For Everyone has created Wildland Partners to honor our friends that give cumulatively at the \$1000 level or more. In order to achieve our shared vision of a connected, protected, and restored legacy of natural lands, we rely on these flexible and tax-deductible donations which allow us to remain pro-active and nimble.

Partnership Benefits

Some of the benefits of the Wildland Partners include:

- Welcome Letter from the Board President
- Exclusive events for society members only
- Special updates and early announcements about our work
- Recognition in our Annual Report, online and at special events throughout the year
- Knowledge that your gift is protecting the Wildlife Corridor

Far and away the best prize that life has to offer is the chance to work hard at work worth doing.
