

Vacation to the Planets

Join the Chino Hills State Park
Interpretive Association
the evening of Saturday, August 12th

Learn about the Planets

Time 7:30 pm - Midnight

**Location: Rolling M Ranch in Chino Hills State Park
4721 Sapphire Road, Chino Hills (go 3 miles up road)**

Cost: \$10 Per Car Park Use Fee

Attendance is limited to the first 100 cars or 250 people.

Join us for a night sky program in the State Park to learn about our solar systems planets. Then view the sky through telescopes, which will be provided for a close-up look.

Our special guest speaker, David White, will provide the tour.. He will point out important objects in the sky that night and answer any questions you have.

David White has worked as a member of the staff at Griffith Observatory in Los Angeles and I was also the Director of Public and School Programs at the Milliken Planetarium at Chaffey College. He has been featured on Radio and Television primarily presents Astronomy Programs in a Multi-Media format to the public, private, and school events on a traveling basis, under his own company label
